Examiner's signature, if required

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant explains the essential features of the claimed invention having a "reaction zone" separated by a heat exchanger, wherein reactants are fed from one reaction zone to another, separated by a heat exchanger. Applicant will amend the claims with the above essential features. Such amendment will overcome the prior arts of record. However, such amendment will require further search and consideration. No commitment was made by the examiner..
